

PENNSYLVANIA COUNCIL OF CHURCHES  
CHAPLAINCY IN THE PARKS SUMMER  
OPPORTUNITIES

The chaplain represents the church as a Christian presence and quiet witness among more than 300,000 campers in Pennsylvania's parks.

The chaplain is a "pastor" or friend to all persons in this setting where he or she serves regardless of their religious affiliation.

Each program is a unique blend of the chaplain's gifts, campers, park staff and the local committee. All chaplaincy programs offer:

1. Campsite visitation, using your listening, counseling and interpersonal skills.
2. Informal, inspirational worship services.
3. Availability to park staff and camps for crisis situations or needed information.
4. Informal programs such as campfires and hymn sings.

Most full-time and some half-time parks offer at least one recreational activity for children and youth, movies, special musical events, etc.

The program in each park is planned in cooperation with a committee of local church representatives. The program schedule is coordinated with the park superintendent and staff.
